

# Grants Management

## *Transparency and Accountability*

Your Performance Accountability Report (PAR) has identified grant close-out as a material weakness.

### **Do you have the resources to close out hundreds of grants?**

Your program will receive an additional \$10 million of Recovery funding.

### **How will you manage the reporting?**

### **How will you define project goals, monitor performance, and ensure results?**

Grantees who haven't received funding are calling...

### **How do you efficiently disperse funding and reconcile between your financial management system and your grant management system?**

#### **GRANTS MANAGEMENT SERVICES**

Futrend has the expertise to provide the assistance, guidance, and analysis required throughout the life cycle of the grant management process.

#### **PRE-AWARD PHASE**
